

INVITATION

To participate in the 13th international multidisciplinary conference of life sciences, technologies, biomedicine and physical sciences „*THE VITAL NATURE SIGN*“, which will be held at 16-17 of MAY (2019) in Small Hall of Vytautas Magnus University (S. Daukantas str. 28, Kaunas, Lithuania). More information see at conference webpage: <http://vns.microsep.org/>.

Why it is useful to participate in the 13th „*THE VITAL NATURE SIGN*“ conference:

- It is a nice opportunity to present your scientific results to colleagues and guests **for free**;
- It is a nice opportunity to **create new contacts** and to find partners for the future projects;
- There is no need to think about poster printing - **only e-posters** will be presented during the conference.
- Conference proceedings may be published in: „Chemija“, „Lithuanian Journal of Physics“, „Biologija“, „Toxicological & Environmental Chemistry“ ir „Environmental Research, Engineering and Management“.

Organisers of the conference:

Faculty of Natural Sciences of
VMU

Lithuanian academy of Sciences
Nordic Society for Separation
Science (NoSSS)
