

INVITATION

to the

19th International Multidisciplinary Online Conference

on Life Sciences, Technologies, Biomedicine, and Physical Sciences

THE VITAL NATURE SIGN

The conference will be held **online*** on **May 15-16, 2025**, organized by Vytautas Magnus University (Kaunas, Lithuania), the Lithuanian Academy of Sciences, and the Nordic Separation Science Society. For more information see: <http://vns.microsep.org/>
Why it is useful to participate in the **19th THE VITAL NATURE SIGN** conference:

- It is a nice opportunity to present your scientific results to colleagues and guests **for no conference fee**;
- It is a nice opportunity to **create new contacts** and to find partners for future projects;
- There is no need to think about poster printing - **only e-posters (5 min flash-presentation)** will be presented during the conference.
- Conference proceedings may be published in: „Chemija“, „Lithuanian Journal of Physics“, „Biologija“, „Toxicological & Environmental Chemistry“ and „Environmental Research, Engineering and Management“ scientific journals.

** Participants who wish to attend in person in Kaunas are welcome. The organizers will provide an opportunity to present their conference presentations or listen to other speakers on-site. However, no expenses will be covered by the organizers.*

Organizers of the conference:

Instrumental analysis Open Access Center,
Faculty of Natural Sciences of VMU
Lithuanian Academy of Sciences
Nordic Separation Science Society (NoSSS)

Chairman of the organizing committee:

Acad. Prof. Habil. Dr. Audrius Maruška
