

PROGRAM:

SESSION 1: Connecting Ecosystems & Building Vision

- 09:00 - 09:30 Opening ceremony
- 09:30 - 09:50 Introduction of Lithuanian and Polish life science and biotech ecosystems
- 09:50 - 10:30 Panel discussion: Baltic-Central Europe BioPowerhouse - Why Now?
- 10:30 - 11:00 Networking & Coffee Break

SESSION 2: Technology Transfer & Academia-Industry Collaboration

- 11:00 - 11:40 Case studies of successful collaboration models from cross-border technology transfer and partnerships demonstrating how joint efforts can translate research excellence into market-ready biotechnology innovations
- 11:40 - 12:30 Panel discussion: How Can We Strengthen Academia-Industry Links Across Borders?
- 12:30 - 13:30 Lunch & Matchmaking

SESSION 3: Startups & Scaleups - Growing the BioInnovation Engine

- 13:30 - 13:50 Ecosystem mapping: Lithuanian & Polish biotech startup landscapes, incubators, accelerators, and cross-border funding tools
- 13:50 - 14:30 Panel discussion: How Can Lithuanian-Polish Collaboration Accelerate Biotech Startups to Global Markets?
- 14:30 - 15:00 Startup pitches from selected Lithuanian and Polish startups
- 15:00 - 15:30 Networking & Coffee Break

SESSION 4: Biomanufacturing - From Molecule to Market

- 15:30 - 15:50 Key presentations from leading manufacturing companies in Lithuania and Poland - strengthening the biomanufacturing value chain in EU
- 15:50 - 16:30 Panel discussion: How Can Lithuania and Poland Build a Competitive and Integrated Biomanufacturing Base in the EU?

SESSION 5: Investors Dialogue: "Scaling Biotech - EU and Global Capital Outlook"

- 16:30 - 16:45 Presentation: Investment Landscape in CEE Biotech: Trends and Opportunities
- 16:45 - 17:30 Panel discussion: How Can We Attract and Scale Investment in CEE Biotech to Compete on the Global Stage?
- 17:30 - 18:00 Closing Remarks & Next Steps
- 18:00 - 21:00 Networking Reception
